

SEWING REINVENTED!

These versatile machines can handle any fabric – no matter how tough. So start right here, right now, and create your own personalized wardrobe. Customize it, recycle it, transform it any way you want; your Elna adapts to every mood, every style. Denim has resisted every fashion cycle for generations; today, fashionistas are recycling and reinterpreting it. Team up with an eXperience 520 or 540 and the job's already half-done. Elna's new models are simple, speedy, responsive and fun to use – and equipped with the very latest technology. They are a fresh and inspirational addition to your world – brand new symbols of a society that's constantly reinventing itself.
